

Ideas from UVa Clinical Psychology faculty for gaining relevant clinical experience to support career and graduate school development in counseling, clinical psychology and psychiatry:

Check the UVa Undergrad Internship Program (UIP) website: ...not that you'll do a UIP, per se, but the places that take UVA interns are also most likely to be the places that would take a volunteer.

<https://uip.coopercenter.org/>

Check on relevant volunteer activities through Madison House, e.g., tutoring, working with the courts etc. <http://www.madisonhouse.org/>

A local summer job at Camp Holiday Trails for disabled children (physical and emotional) <http://www.campholidaytrails.org/>

SARA: <http://saracville.org/>

Virginia Institute of Autism: <http://www.viaschool.org/>

Lafayette School: <http://www.lafayette-school.org/>

Blue Ridge Clubhouse:
